## A Message to our Clients

Dear Client,

As the Coronavirus (COVID-19) situation continues to evolve, I would like to underline N+1 Singers' absolute commitment to support you through these challenging times.

We are monitoring developments carefully. Consequently we have put in place a number of measures to protect our staff, and therefore, our ability to continue to provide you with the highest levels of service.

We have adapted our operations to ensure safety and continuity, these changes include setting up "workspace pods" in diverse geographical locations, which provide our business with resilience in these extreme conditions, video and telephone conference meetings to maintain safe avenues of communication, and the majority of our staff working from home to help limit the spread of the virus.

On behalf of all staff and colleagues at N+1 Singer I would thank you for your continued trust and partnership.

Operations Director, N+1 Singer
